Re: Request for Extension of Time regarding two requests for information for
Section 114 Letters Reference Nos. **CAA-02-2013-1467 + 1468:**

Dear Ms. Brill:

I received your emails dated November 22, 2013, regarding two requests for information (Information Requests) issued by EPA under Section 114 of the Clean Air Act on September 12, 2013. The Information Requests pertain to the Logan Generating Facility (reference CAA-02-2013-1467) and the Carneys Point Cogenerating Facility (reference CAA-02-2013-1468). In your November 22, 2013 emails, you requested that EPA approve an additional extension of time, of three weeks, to respond to these Information Requests. By this email I am approving the requested extensions. Accordingly, the complete responses to the Information Requests are due by December 23, 2013. Thank you for your attention to these Information Requests. If you have any further questions, please contact Erick Ihlenburg, Assistant Regional Counsel, at (212) 637-3250 or ihlenburg.erick@epa.gov.

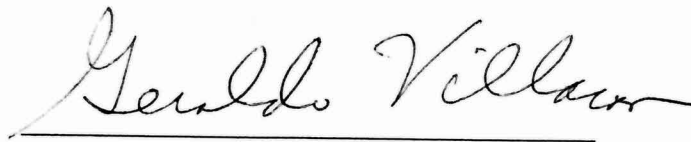

Truly,

Kenneth Eng, Chief
